

PEDIATRIC AND ADULT ALLERGY & CLINICAL IMMUNOLOGY EDWARD BUCHSBAUM, M.D., JOYCE SCHOETTLER, M.D., JULIA LEE, M.D., EMILY LIANG, M.D., AMIE NGUYEN, M.D., CHRISTINE AHN, F.N.P.

Welcome to our practice.

We are pleased to welcome you to South Bay Allergy & Asthma Associates and look forward to providing you with comprehensive allergy and asthma care.

Our staff and doctors make every effort to be timely and we do not double book your appointment time. In order to accommodate the scheduling needs of all patients, kindly confirm your appointment by phone at (310) 371 - 1388 x 11 or by email at least 2 business days prior to your appointment. <u>appointments@southbayallergy.com</u>

Appointment Cancellation and Rescheduling Policy Notification to reschedule or cancel an appointment must be received in our office at least <u>two business days</u> prior to your appointment. Failure to do so will result in a \$50 fee.

Please be considerate of other patients. Do not eat/snack while in the office. Refrain from using scented lotions/perfumes when visiting our office as these may trigger reactions in some of our patients. Additionally, refrain from using your cell phone while in the office as it is distracting to our staff and other patients.

Please bring your insurance card and photo I.D. to your first visit. It is your responsibility to make sure that we have the most current insurance information on file for you. A statement will be sent to you only if there is an outstanding balance due after your insurance has paid its portion of the claim.

Co-pays, co-insurance and unmet deductibles are due at the time that services are provided. Please be prepared to take care of your financial responsibility at the time of your visit. You will be informed of your responsibility for skin testing prior to the procedure being performed.

Regarding emails: In an effort to be environmentally-friendly and medically efficient our office uses Electronic Medical Records and electronic reminders. Please provide us with an e-mail address so our staff can forward appointment confirmations and practice news alerts to you.

Obtaining diagnostic results: Please do not call the office to review or obtain lab results; these results will be reviewed at the time of your next visit with the doctor. Our nurses and office staff are not trained to interpret lab or radiology results.

Thank you for choosing South Bay Allergy & Asthma

PEDIATRIC AND ADULT ALLERGY & CLINICAL IMMUNOLOGY

EDWARD BUCHSBAUM, M.D., JOYCE SCHOETTLER, M.D.,

JULIA LEE, M.D., EMILY LIANG, M.D., AMIE NGUYEN, M.D., CHRISTINE AHN, F.N.P.

ACKNOWLEDGMENT OF FINANCIAL POLICY

- I understand that is my responsibility to verify my insurance policy coverage prior to an office visit and to confirm the South Bay Allergy and Asthma (SBAA) is in-network with my plan. As a courtesy, SBAA will bill my insurance plan for office visits and procedures.
- It is my responsibility to verify that SBAA has my most current insurance information on file, including secondary coverage, and understand that any charges not reimbursed by my plan because of missing or outdated insurance information shall remain my immediate responsibility.
- It is my responsibility to notify the business office of any change in my insurance coverage before an appointment date. If I fail to notify the office of a change in my insurance coverage, it is possible that charges incurred after the effective date of the policy change may not be covered and I will be responsible for these charges.
- Copays, coinsurance, and unmet deductibles are due at the time service are rendered. All services not covered or approved by the insurance carrier remain my immediate responsibility. An estimate of my financial responsibility for skin testing and immunotherapy will be provided prior to the procedure being performed. I understand that this is only an estimate and that I may elect to verify coverage with my plan prior to service being provided. My estimated financial responsibility is due at the time services are provided.
- Auto-pay option: As a convenient alternative, I may provide SBAA with a credit, debit, or HSA card and authorize SBAA to charge the card on file for payment of the portion of services that my insurance company deems as my responsibility. Charges to my card shall be processed after the claim has been processed by my insurer and the insurance portion of the payment has been paid and posted to my account.
- I understand that some insurance carriers require precertification for lab work done outside of the office (CT scans, x-rays and "blood work"). It is my responsibility to verify with my insurance carrier prior to having the studies performed and to determine if a certain laboratory or x-ray facility must be used. (The SBAAA office will help you as much as possible with this information, please note that policy coverage for procedures performed outside of the office can change without our office being notified).
- For Medicare patients only: I understand that the SBAA physicians are Medicare providers and will submit all claims to my insurance carrier. I understand that I will be responsible for annual deductibles and applicable copays.
- SBAAA is not a MediCal contracted provider. If I elect to be seen by SBAA I will be responsible for payment of service.
- For patients with HMO insurance only: I understand that my insurance may only pay for services if prior authorization has been obtained for each visit. If I choose to be seen by the physician without the necessary authorization, I understand that I will be responsible for the charges.
- For patients with a POS option only: I understand that if I elect to use my POS option, I must continue to use this option for all future visits. I understand that I cannot switch back to my HMO plan and expect to get authorizations for completed visits and procedures.
- Notification to reschedule or cancel an appointment must be received by SBAA at least two business days prior to the appointment. Failure to do so may result in a \$50.00 fee and/or same day appointments being scheduled only.
